Subject: Re: Can you review this by tomorrow/Wednesday?

(+ Vicki and Tom in case they have input)

Hi Erica,

Yes, great it worked out last minute. I'm happy to learn you know more Taiwanese than I do, at least for the food.

I added some edits, see below. Let me know if this is all okay or you need more edits.

Best,
Grace

Hi Grace,

It was good seeing you last week.

I'm putting together background materials for our acting regional administrator in preparation for the November 9 event celebrating CRI. Can you take a look at what I have drafted for the restaurant and boater program? Are the numbers right? Is there anything I should add?

Ongoing pollution prevention programs

- **Boater Education Program:** provide peer-to-peer engagement about sustainable boating and pollution from boating activities, like sewage, marine debris, heavy metals, and used oil. [if there's room: promote proper vessel sewage management, manage statewide boating partnerships with volunteers and ocean protection groups]
- **Clean Bay Restaurant Certification Program**
 - Participating restaurants follow

FIVE

key practices:

general bmp's, trash, equipment and outdoor cleaning, grease handling and spill disposal, and education and training.

- Currently
350
+ restaurants in 11

Santa Monica Bay Watershed

cities are participating

[removed "coastal" because we have some inland cities now ingewood, culver city, torrance, rolling hills estates]

- Manage and recruit new
food serving establishments
- Pilot Re

T

Link Disposable source reduction program with 1 – 3 restaurants (extra \$25,000 from headquarters to support this project)

Thanks in advance.

Best,

Erica
